June: - A few members of the section attended the Reivers Rally.

There was a good turnout of 33 motorcycles at the Tees Cottage Pumping Station open day thanks to Mike Roberts, and Brian Smith for co-ordinating the display.

Unfortunately, a heavy downpour soaked the riders on the Saturday afternoon Social run and concours thanks to Dave Headon's organisation. The concours trophy was won by Victoria Feldon on her 1991 Kawasaki

We enjoyed viewing over 100 Classic bike and cars on a fine June evening in support the Great North Air Ambulance fund raising event at their HQ at Urray Nook.

Five enjoyed the Evening Excursion from Sedgefield village green through the Durham lanes thanks to Nigel Clark for an interesting route taking in some of the world's oldest railway infrastructure.

We wish Viv Tubby well for his recovery following his recent detainment in hospital.
