

September 2017

Viv's Saunter and BBQ started our August programme with the usual well-organised run in fine weather. Particular thanks go to Viv and Sue for holding the BBQ so soon after moving into their bungalow. Great sausages and good company.

You will possibly have heard that Dave Headen's re-arranged Social Run and Concours suffered from the same inclement weather as the previously aborted event. However, on this occasion Brian Smith opted to ride the route in the rain and so claimed the Concours award for his less than pristine Thunderbird. Well done Brian – the only man amongst us.

There were 14 entrants for the Scarborough Trial in August with full results in the trials link on this site. However, the winner was John Pattinson from Gary Powell and Rob Green.

There were 20 entrants for Bobby Robinson's Baydale Run on September 3rd with a report, full results and a pic in the Runs link on the website. The usual all-knowing crew of Brian Smith, Dave Porteous and John Robinson garnered the premier awards and so earn our congratulations. Thanks Bobby and support team for the run.

Further events are in the September programme with the big one being the Beamish Trophy Trial. Help and support always welcome.

Finally, Gerry Beer is organising a stand at the Teesside Classic Bike Show and would appreciate bikes and support for this event.

We need to get more bikes out.

Tom Reed.
