

## Newsletter July 2018

What great weather to be out and about on your favourite bike - too hot? For a change, Dave Headon was able to hold his evening run and concours with the concours award going to Jason Wheeler for his cammy Velocette. Thanks Dave for a very pleasant run.

There were 11 riders out for the June trial at Gilling West with the winner being John Pattinson from Paul Harrison and Jim Sowerby and full results are in the trials link. The July trial is on 15<sup>th</sup> at Battersby.

Eric's Evening Excursion was on 26<sup>th</sup> June and a most enjoyable event it was for the 20 entrants. Dennis Marwood took the overall award from Mike Carruthers and Tom Norman. Again, full results and pictures are in the website link. Thanks go to Eric as run organiser and to his support team and the Bake-off girls Denise and Sheena for excellent refreshments after the run.

July events are in the calendar with the most noticeable from South Durham being evening social runs on 4<sup>th</sup> and 18<sup>th</sup> with 6-30 pm starts, Howard Duddles' Sunset Run at 6-30pm on 9<sup>th</sup> from Middlesbrough Motor Club, the club Ride-in and buffet on 12<sup>th</sup>, and the Chairman's Run on 22<sup>nd</sup> starting at 10-00 am from the Crown Inn at Manfield and, for which, regs are now available.

Further out, we have Viv and Sue's Saunter and BBQ on 4<sup>th</sup> August with tickets available from Viv.

I think that's plenty to keep us going so let's hope this gorgeous weather continues.
